

## Ordering Kegs of Beer

Bull City Burger and Brewery sells kegs of beer to the public pending availability. Not all beers are available for sale and the Ministry of Beer has the sole discretion of which beers are available. We ask that you pre-order your beer one week in advance because we need time to fill your keg just for you. The Gateway Golden and Parrish Street Pale Ales are produced year round. Please email the ministry of beer to place your order: [Ministry of Beer](#)

We sell kegs in two sizes. We offer 1/6 barrel (5 gallons) and 1/2 barrel (15.5 gallons) kegs. A 1/6 barrel keg is equivalent to about 53 twelve ounce beers and a 1/2 barrel is equivalent to about 165 twelve ounce beers. Our kegs use Sankey taps.
